**NEW SCHOOL REPORT FORMAT**

At the end of this term parents will receive a full report on their child’s academic progress for semester one, 2014. The report will differ significantly to last year’s report. In English and Maths, we will no longer report on sub-strands. This means for example, that there will breakdown of English into Reading, Writing and Talking/Listening. These areas will still be reported on within the overall comment but no effort or achievement score will be given for the separate areas as these areas of learning do not appear as strands in the new Curriculum. For both English and Maths the student will receive an overall effort and achievement rating for the subject as well as an extensive comment. In all other subject areas students will receive a rating for effort and achievement. A result of “Sound” for achievement and “Satisfactory” for effort will be the result for most students. There will be opportunity for parents to request a parent / teacher interview for early next term to discuss any concerns. The request slip is included in the report package.

**NO PUPIL FREE DAY ON DAY 1 NEXT TERM**

**REPEAT ITEM**

All students will attend school on Monday 14th July. Instead, Day 1 Term 4 (Tuesday 7th October) will be OUR NEXT pupil free day to enable our whole school staff to attend an important conference on the new Science syllabus. Please ensure that you are familiar with these arrangements for the start of Term 3 and 4.

**Mr CAINES’ FAREWELL**

All of the school community are invited to my farewell assembly and afternoon tea on Thursday 26th June. Invitations were sent home today and a copy is included on the last page of the newsletter.

**GROWING TOGETHER PROGRAM**

Information went home yesterday for a special program run by The Jannali High School for our Year 5 students. Year 5 will attend next Tuesday with Mr Green and Mr Caines will teach Year 6 for the day. There is no cost involved but we must have the permission note back before the day.

**PARENT ONLINE PAYMENT FACILITY**

It will soon be possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or Master-Card credit or debit card. Your account details are captured in a secure manner and are not passed back to the school. Details of the payments are passed daily to the school where they will be receipted against your child’s account. The payment page will be accessible from the front page of our school website. We expect the facility to become available for use during Term 3. Stay tuned for more details.

**P&C MEETING**

Our next P&C meeting will be in two weeks time on Thursday 19th June. Please attend and join in our parent forum.

**EXCURSIONS**

There are many outings planned for the last few weeks. Please ensure that all permission notes and money ( where applicable ) are in on time. Thank you.

Sports Reports

Junior A Netball
The Junior A’s netball team tried some new positions that we didn’t really know but we still won 6-2. We played a great game. Everyone did a great job of getting open, catching and throwing the ball and shooting.

Scholastic Book Club

Order forms have gone home for the Scholastic Book Club and there are some great specials in there for some winter reading on those cold, wet days in the School Holidays. Every purchase you make supports our school so please have a look and consider ordering something.

The school is interested in updating some other classroom resources that we can get from Scholastics for FREE (worth $600) but we do need to build up our free credits again to be able to order.

For those interested please return order forms to the office by Friday 13th June, place in the safety box with payment.

Please remember if you want your order to go to the office please write "OFFICE" on the order form.

Kind Regards
Virginia

Senior Girlz
Thank you Club Menai/Hurstville

A very grateful thank you to club Menai/Hurstville for their generous provision of funds for the implementation of ‘Esteem Designz’. Our school submitted a funding application and was successful:) This funding will provide the resources and materials required for the creative design projects the students will be undertaking. Our school chaplain is facilitating this program on Thursdays at lunchtime with Year 5/6 girls over approximately 7 weeks.

By utilising creativity and meaningful design projects a journey begins which promotes positive wellbeing, develops skills in resilience, positive leadership, personal identity and fostering great friendships.

Thank you also to our parent community for their support.
