Principal’s Message
ENRICHMENT PROGRAM 2014 repeat item Information packs are available from the front office for our 2014 Enrichment program. This year, Mr Green will be leading the program and the Program is entitled “Lights, Camera, Action”. It will be writing and presenting through technology and students will choose a form of movie-making technology to present their ideas and information. Students from Years 3-6 are invited to apply using the nomination form contained within the information pack. The program will take place in school hours on a Tuesday afternoon every week next term. There is no cost involved for the students.

Please note that nominations for the program must be in by next Monday June 23rd at the latest.

P&C MEETING Our next P&C meeting will be TONIGHT. Please attend and join in this important parent forum. It should be a great meeting including the planning for the Annual Trivia Night.

Mr CAINES’ FAREWELL repeat All of the school community are invited to my farewell assembly and afternoon tea on Thursday 26th June. A copy of the invitation is included on the last page of the newsletter.

THANK YOU CLUB MENAI The Club has very kindly donated over $1000 in support of the Esteem Designz program that Sheree Host is running with the senior girls. See the story later in this edition. Thank you very much to Club Menai for their most generous support. It is greatly appreciated by the school community and the senior girls in particular.

BANDFEST This is a great opportunity for our musicians. Many thanks to Mr Newham who attends with our school and on a voluntary (unpaid) basis. Thanks to all the parent volunteers for their help with the transport. For parents of musicians - please ensure that your child is here tomorrow with their music, instrument and band shirt.

STRANGER DANGER Parents, please ensure that your child has a safe journey to and from school. For those students who walk home, it is best if parents can arrange another child to walk home with them. Parents—please talk to your child about safe ways to get to and from school.

CHANGE TO ASSEMBLY TIME Our weekly Assembly will be held at 9.30am on Friday morning. This change will allow our PSSA sports people to be on time for their competitions and also make it more convenient for parent to attend. We hope to see you here!

NEXT WEEK AT BBPS This will be a very busy week with both choirs having rehearsals, (plz note change of date for the juniors), most of the school out on excursion on Wednesday and end of semester reports home on Friday. The Japanese program will operate on Tuesday next week. Please have your child ready for everything that is happening next week. Please arrive to school on time and prepared for the day’s events.

END OF SEMSTER ONE REPORTS These will be sent home on Friday 27th. Inside the report envelope is a request slip for a parent teacher interview. If you have any concerns or questions about information in the report, a parent teacher interview is the best forum to discuss your child’s progress.

### Trivia Night - Save the Date!!

Saturday 2nd August 2014

Please keep Saturday 2nd August free and come along to support our school at our annual Trivia Night. The theme this year is 1950’s Rockabibby so start thinking about your costume and gather up some friends for your table! A note with further details will go home next week.
We are collecting donations to use as silent auction items on the night so if you have a business and would like to donate, please email me at eleishalegg@icloud.com or call 0417 067 245.

Baskets have been placed in the classrooms so that families can donate items to be packaged up and used as prizes (only new/unused items please). All donations are greatly appreciated.

We are also hoping to have a Juke Box on the night, so if anyone has any contacts in the party business who may be able supply one for the night please contact me.

The school and your children benefit greatly from the funds we raise on this night, so I hope we can count on you to support this event - and it is heaps of fun!!!!

Estee Designz

Esteem Designz is like a breath of fresh air which aims to challenge some of the misconceptions teenage and pre-teen girls may have of themselves. In the myriad of influences which can bombard and affect our girls, Esteem Designz imparts self worth, self-confidence, identity, self-awareness and self-belief; foundations in which to more successfully navigate developmental years. Esteem Designz plays a key role in supporting the welfare and Personal Development strand of the PDHPE curriculum, fosters resilience, practise of strategies to overcome challenges and navigate change, form positive and respectful relationships, grow in emotional and social skills, achieve goals that boost self-confidence and worth, promote unity and leadership and cultivate critical skills in choice making, communication, encouragement and problem solving.

Did I mention FUN? Esteem Designz is based on fun, interactive and meaningful design projects which are designed to engage, equip and empower girls in a safe, supportive environment. With the financial sponsorship of Club Central Menai each Year5/6 girl was presented with a beautifully packaged kit which is an affirming gift in which identity and creativity is explored. Each Kit contains the Reflective Journal, Clue Cards for Life, the Encouragement cards and the templates and materials needed to complete the five main design projects. The kits and program will be going home at the conclusion of the program in Term 3 and will hopefully be visual tools and practical tools to navigate and thrive through life’s challenges.

I am thoroughly enjoying spending this time with your Yr 5/6 girls and am appreciative of their consideration and encouragement of each other, insight, creativity and inclusiveness of the group.

Thanks again for your support of this valuable opportunity,
Sheree Host
Chaplain
