Term 2 - Week 7

Peer Support – Promoting Harmony  During the next two weeks students from 5/6 will be going through the training for our Peer Support Program “Promoting Harmony” which will begin next Term. The program is based around our school values of Respect, Responsibility, Integrity, Cooperation and Care. This is a wonderful opportunity for these students to learn strategies and skills in becoming a leader and show how responsible they are when working with the younger students in our school. It will also give the Year 5 students an opportunity to view what a makes a leader and the challenges and rewards that it brings in preparation for Prefect selection later in the year. Mrs Redmayne and Mrs Host will be facilitating the program following their training with the Peer Support Foundation this week. I look forward to working with the students and staff in implementing this fabulous program in our school.

Resilience  Building resilience in our students is pivotal to their wellbeing. Giving them strategies on how to be patient, problem solve, bounce back when times get tough are all valuable life skills. We need our children to be strong and self-confident as they grow into independent respectful citizens. Please view the link for some tips in how to reinforce the skills we are teaching them in Bounce Back each week.  http://creatingalearningenvironment.com/15-ways-to-teach-resilience-to-your-child/.

Disco  What a fabulous night of fun the disco was! Thank you to all those students that supported a great night out! Congratulations to the committee and especially Nicole Shanks for organising the night. A huge thank you to Hayley the “Disco Queen” who kept the beat going strong and the staff who I think enjoyed it as much as the students. A successful community event!

An Act of Kindness  A huge thank you to Gail Considine, a familiar helping grandmother in our school who has kindly donated some Gardenia plants to brighten our garden beds. I am also organising a pathway from the ramp to the bottom playground and will be creating a garden near the carpark so if anyone else has some plants to donate they would be greatly appreciated. Thank you Gail for your contribution.

Pirate Day  ARGHHHHH! me hearties for our Act of Kindness students will have the opportunity to dress as a pirate next Friday and bring in a GOLD coin in exchange for a pirate patch to decorate. Money will go to the Childhood BRAIN CANCER foundation. Come on BBPS lets build a treasure chest and collect as many coins to support this cause and save children’s lives.

PSSA Sport
Competition continues this week. Students will depart school at 11.15 and return by approximately 1.45. Games will commence at 11.45 and conclude at 1.15pm. All soccer games will be held at Lakewood and Netball games will be held at Bellingara.

Canteen News
Canteen volunteers for next week are:
Mon: Public Holiday
Tue: Lisa Seaman, Felicity Aitken
Wed: Jenny Fernandez, Kelly Bowers
Thank you for your contribution.
The Canteen Committee

Scholastic Book Club
Orders due back by Wed 10th June
Issue 4 brochures went home this week and any orders are due back to the office by Wed 10th June.
Every dollar you spend does help our school with new books/resources for the classrooms & the library.
Orders are usually sent home with the children, but if you would like to collect the orders yourself just put “Office” at the top of your order form and you will be notified when the order is ready to pick up.
While we do accept cash orders, payment online or by cheque is preferred.
Thank you for your continued support.

Crunch & Sip Handy Hints!

Uniform Shop
Uniform Shop will be open for general sales on the following dates in Term 2 from 9.30-10.00am.
Tuesday 9th June
Monday 22nd June
The Uniform Committee

Congratulations to our ‘Integrity’ Values Award recipients.

Keen Green Beans!

Keep ‘em keen – give ‘em beans!
**Pirate Day Friday**

Next Friday 12th June is **Pirate Day Friday**!

We are partnering with The Kids’ Cancer Project to raise both funds and awareness of Brain Cancer. We can Make a Difference in the life of another! There are many different forms of cancer. It can occur in any part of the body and there are over 200 types. Pirate Day Friday is about **CHILDHOOD BRAIN CANCER**, which affects more children in Australia than any other disease. Our school is joining with many other schools to make a stand for other children, just like us, whose life and learning is affected by Brain Cancer. There is a considerable amount of funding allocated to other cancers (much needed research funding) though minimal funding is allocated to Brain Cancer.

In exchange for a gold coin donation, each student will be provided an plain eye patch to decorate on Friday in support of Pirate Day Friday. We are looking forward to seeing all the creative Pirate eye patches:-) PSSA will proceed as normal on Friday.

AARRHHHH :-)

If you would like information about Pirate Day Friday, view some age appropriate videos to facilitate a conversation, head to [http://www.piratedayfriday.com/Conorvideo.html](http://www.piratedayfriday.com/Conorvideo.html)

**Trivia Night - Save the Date!!**

**Saturday 1st August 2015**

Our school Trivia Night is the biggest fundraiser of the year and planning is well under way for this year's event. Please keep Saturday 1st August free and come along to support our school. The theme this year is 1980's so start thinking about your costume and gather up some friends for your table! A note with further details will go home before the end of term.

In order for this event to be a success, we require a team of parents to assist in the planning and organisation. We are looking for new parents to come on board and join the trivia planning committee. Please email me for more info.

We are also collecting donations to use as silent auction items on the night so if you have a business and would like to donate, please email me at eleishalegg@icloud.com or call 0417 067 245. We will also be putting baskets in the classrooms so that families can donate items that can be packaged up and used as prizes (only new/unused items please). All donations are greatly appreciated.

The school and your children benefit greatly from the funds we raise on this night, so I hope we can count on you to support this event - and it is heaps of fun!!!!

**2/3 Reports on Life Education**

At my Healthy Harold visit I learnt about the lungs, brain and much, much more.

We learnt that we breath in air and breath out carbon dioxide. We also learnt that smoke is VERY bad for our lungs because it blocks the airflow that’s really important for our body. We learnt that water goes in and out. I also remember learning that the kidneys are like a washing machine for the waste that lives around our body. I really enjoyed my visit to Healthy Harold.

By Matina

---

On the Healthy Harold day we went in a trail-er and learnt about the human body. We looked at the ribcage, blood, brain and a leg. We looked at bad food and good food to eat.

The boy on the screen had a chocolate and an energy drink. He had bad food instead of good food. He had good food in his lunch-box. He had an apple, sandwich and an uncle toby’s bar.

When he got home he felt sick because he had a little ship inside of him.

He looked out of the window and the little ship came out and people game him a stick-er.

Bushcare
The Bushcare Group meets on the second Friday of each month from 9.30-2.30. Volunteers are welcome to assist with establishing and maintaining the bushland in and around the school. Any assistance would be very much appreciated.

Bonnet Bay Before and After School Care
Our July Vacation Care Enrolment Forms and Program are now available. We have tried to balance activity costs and providing an interesting program for the children throughout Vacation Care. Our Program consists of a morning activity, a HIGHLIGHT ACTIVITY and an afternoon activity. For example: Crazy Hair and Face Painting in the morning, a visit from the Petting Zoo as the highlight activity and making Beaded Jewellery in the afternoon. Please ensure your Vacation Care Enrolment Forms are completed and returned by the 22th June 2015.
