Term 3 - Week 4

Trivia Night Success!! Saturday’s 80’s trivia night was a roaring success. Thank you to all the families and friends that came along to support the night. Over $11,000 was raised for our students and school to benefit. We are so lucky to have such a wonderfully supportive school community. A really big thank you to our wonderful P & C who worked tirelessly to ensure the night was a success. We value and appreciate all that you do for the children at Bonnet Bay Public School.

National Tree Day was Monday 3rd August. Bonnet Bay Public School marked the occasion by planting trees donated by The Sutherland Shire Council in support of their GREENWEB program. The program was set up to promote bush care in our local environment. Thank you to all our Year 5/6 students and their Kindergarten buddies for the wonderful effort they put into making this day a success. Thank you also to Geoff Doret from GREENWEB Sutherland Shire Council and Daniel Clarke from Bushcare for the support with this project and for the donation of the plants for our school. Our grounds are looking great, with the new path and new plants!

The Annual Bonnet Bay Wild Flower Walk will be taking place this Sunday, the 9th August. The walk is a fantastic community event that is lots of fun for the whole family. Come along and enjoy the walk, the provided BBQ lunch and the fantastic children’s wildlife show. Be sure to arrive at 10am to partake in this fun-filled day. More information can be found on the Sutherland Shire Council Website.

Ken Tucker Artwork Ken Tucker is the artist that painted the wonderful artwork during our Trivia Night. Ken was sponsored by The Shire Local Banking (Sutherland Credit Union Limited) in conjunction with the “Artist in Residence” Program for Shire Schools. The artwork was an original piece of art that was donated to raise funds for our school by Ken Tucker and The Shire... Local Banking. We would love to secure Ken to facilitate an "Artist in Residence" program with our students at Bonnet Bay Public School. To do this we need your help. The bank is offering financial health checks to all your families, with no obligation, in strictly confidential circumstances and the health check will only take up 10 minutes of your time. We need at least 20 families to agree to a financial health check to be eligible to run the Artist in Residence program lead by Ken Tucker. In addition to the program, The Shire...Local Banking, will donate $25 to our P & C for each family that agrees to a financial health check. Please get behind our school and support this program. To do this please email the school with your name and contact phone number or provide your contact details to Kyla in the office. The artwork that was painted at trivia night will be raffled. The raffle will be drawn on Grandparents and Friend’s Day (2.9.15). If you would like to purchase tickets for this prize, you can do so at the office. $5 per ticket or 3 for $10.

Music Festival Next week sees the culmination of all the hard work of the Junior Choir and Junior Dance groups with them performing in the Sutherland
Shire Music festival on Tuesday for the Matinee and Wednesday night for the Evening concert at the Sutherland Entertainment Centre. We wish them all the best and thank Mrs Riggs, Miss Hayley their Dance Teacher and Mrs Harvey for all their time in preparing the students for their first fabulous performance. I know that will put huge smiles of great pride on their family’s faces as they perform on stage for the first time. Some of our Junior Students will have an opportunity to watch the Matinee and support their fellow students. Go Bonnet Bay, you are all Stars for a night.

Woolworths Earn and Learn  Our school has registered for the Earn & Learn promotion where families and friends can collect stickers from purchases at Woolworths so we can redeem them for school resources. There is a collection box in the school foyer and one at Woolworths at Menai where any community member can place stickers in to support our school. Last year we purchased some fantastic hands on Mathematic resources and this year we would like to purchase some Science resources to support the new syllabus. So please support us by collecting those stickers!

SSSMF Ticketing

Notes went home earlier this year regarding the need to purchase tickets online for the Sutherland Shire Schools Music Festival Concerts.

Please advise the school if you have any spare tickets available to sell for the evening concerts as unfortunately some parents missed out on ordering online.

A parent has 1 ticket for the SSSMF Junior Matinee Concert (11/8/15-daytime) to sell with a program for $20. Please let Kyla know if you are interested in purchasing.

Please don’t contact the Sutherland Entertainment Centre to purchase tickets as they do not have any available to sell.

The Premier's Reading Challenge - Closing Soon!

Parents, Carers and students please take note of the last day as the website closes to everyone's access on 16th August 2015.

By using each student’s own school username and password, student reading logs need to be entered online on the NSW Premier’s Reading Challenge website http://online.det.nsw.edu.au/prc/home.html before 16th August to receive a Certificate from the Premier of NSW and have their name appear in the PRC Honour Roll.

To receive a School Certificate, a printout or list of those books read should also be forwarded to the class teacher or myself.

Thank you for your co-operation.

Peer Support Wrap-Week 4!

This week in Peer Support the children participated in activities helping them to identify and accept differences in people. Children also identified ways they can demonstrate being caring through their actions.

Discuss with your child the importance of accepting differences in other people. Perhaps take the time to identify and discuss the various differences people may have, eg. appearance, religion, culture, disabilities. Ask your child to share the qualities they appreciate in their friends.
